

**Declaration form for the accepted abstracts to be published on the airti Inc.**

The author(s) who submitted to and had abstract (s) accepted by the Scientific Committee of the 8th AHLA Conference, whereby declare as follows:

1. The author(s) intend to submit a newly completed abstract to “airiti Inc.”

Title of the abstract: \_\_\_\_\_

All authors are listed based on the author order as: \_\_\_\_\_

2. This abstract has not been published previously (either in print or electronically) and is not under consideration for publication elsewhere, and the authors agree not to resubmit the abstract to other journals or publications during the review period. If the abstract is approved by the **Scientific Committee** of the **8<sup>th</sup> AHLA Conference** for publication in “airiti Inc.”, all authors agree that the **copyright of this abstract will be shared by the authors and retroactively with the airti Inc. at the time of submission**. AHLA shall use this work legally according to the Copyright Act. The copyright owner shall not use the abstract in any way, including but not limited to, any commercial or paid use, or provision to a third party for use or download without the approval of the association. The original authors shall retain the right to publish in collective works and for teaching applications.

3. If the copyright **owner(s) (the authors)** cite(s) the abstract on a personal website, it shall be limited to free and rational citations. The scope of citation shall not exceed one-third of the entire text without prior written application and approval by the association, and the authorization granted by the AHLA shall be stated.

4. This submitted abstract has referenced and complied with the **abstract submission guidelines of the AHLA** and the corresponding author confirms that there is no conflict of interest. If there is any violation, the matter shall be dealt with by the editorial board as they see fit.

5. All authors listed in this abstract are researchers who directly participated in the study, and the corresponding author is fully responsible for the manuscript submission. Before the abstract submission, all authors who signed had carefully checked the abstract and agree to the contents and conclusion of the submitted abstract. If there is a change in the title due to abstract review or proofreading, the authors agree to consider it as an identical work and the validity of this declaration will not be affected.
